

Don't ignore it, report it.

Safeguarding children means protecting the most vulnerable from abuse and neglect.

During the COVID-19 pandemic, professionals and volunteers may come into contact with individuals and families they haven't met before.

If you see something, are told something or something doesn't feel right you need to report it.

Call Bury Children's Social Care:

0161 253 5678

Out of office hours call: 0161 253 6606
